

Life in a tidepool

Across

1. I am covered with spines and am usually purple or red.
4. I am a very shy tidepool animal.
5. I catch my dinner with stinging tentacles.
7. I have a volcano shaped shell.
10. I like to eat mussels. I pry them open with my arms
11. I squirt purple ink when I need to protect myself.
13. I always walk sideways.
15. I build my home from sand.

Down

2. I am hard to find when I blend into the rocks.
3. I am very common in the tidepools and can be black or brown
6. We attach ourselves to the rocks by threads we make in our foot.
8. I have a cone shaped shell and a strong foot to hold onto the rocks
9. I spend my whole life in the tidepools
12. I am food for lots of tidepool animals.
14. I use other people's shells when they are through.
